

For those uninitiated in these parts, Salem happens to be home to several "Hocus Pocus" filming locations. The 1993 movie starred Bette Midler, Sarah Jessica Parker, Kathy Najimy, and (most importantly) a black cat named Binx! Follow the tour around town on your own or with your kitty pals-- it's the purrfect way to see some local sights and take in some Hollywood history. The tour starts at the Old Town Hall in Salem-- not only is it the location of Witch City Kitty, but it was a filming location years ago as well!

## Dedicated to Binx

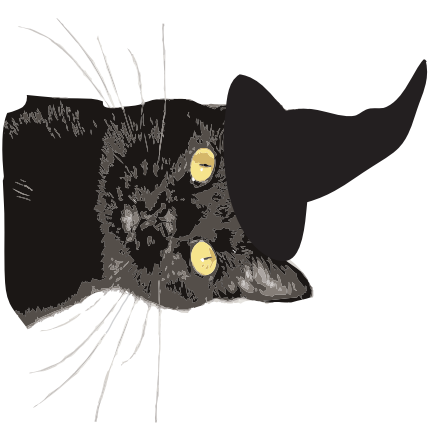

Gone too soon. Your inspiration will live on forever with the cats of Salem...
